

# Release Me

Crossbreed

the war that's in your mind you explained to me sounds like you  
re obsessed but  
certainly somewhere you will find a place to express your needs  
you always  
insist that place is me you're right your - holy system is right  
t your right  
your - no one can stand all the lies your right your holy system  
is right you're right your - the walls been broken down

release me the walls been broken down

before you ever thought you could bury me i turned off the light  
s so you can't  
see a shadow in the dark that you can barely see surrounded by  
the  
dead that doesn't bleed you're right your - holy system is right  
you're right  
your no one can stand all the lies you're right your - holy system  
is right  
you're right your - the walls been broken down circles form around me  
i can't see staring eyes have brought me to my knees you're right  
you're right

release me the walls been broken down
