

"You can't see me with your eyes  
But I definitely exist  
Inside of your weakness"

I'm taking back my life  
And demons won't hold me down  
I see this is really happening  
Feel like I'm drowning cause I'm paralyzed (paralyzed)  
Try to run  
Ward off the lies around me  
I'd rather die than watch my life pass me by

When you're locked inside the dark  
You can put your hands on me  
It's time to ignite

I see the fire in the sky  
And it's the anchor of light  
Singin' oh oh oh, oh oh oh  
Come see the fire in the sky  
We can strike to ignite  
Singin' oh oh oh, oh oh oh

Just let go!

I'm taking back my life  
And demons won't hold me down

No one can stop us  
We'll fight till we die (till we die)  
You'll never haunt us  
We will overcome (overcome)

"Do you think that you can run away from me?"

Take what you want  
Cheap pride and greed I bury in the grave  
Kill your lies cause I will overcome

We're never locked inside the dark  
Come and raise your hands in the air  
It's time to ignite

I see the fire in the sky  
And it's the anchor of light  
(Will you come see the fire tonight?)  
Oh oh oh, oh oh oh  
Come see the fire in the sky  
We can strike to ignite  
Singin' oh oh oh, oh oh oh

I see the fire in the sky  
(Fire in the sky)  
Singin' oh oh oh, oh oh oh  
Come see the fire in the sky  
We can strike to ignite  
Singin' oh oh oh, oh oh oh

I'm taking back my life  
And demons won't hold me down
