Make You Mine

Crossin Dixon

1st Verse You caught me lookin' at you Tryin' hard not to show it Tryin' hard to control it Hopin' you wouldn't see 2nd Verse Yeah, but no one could blame me You're so one-of-a-kind Walked right out of a scene in my dreams I'd love to make you mine Chorus And not a day go by I wouldn't kiss you Not a minute apart I wouldn't miss you There'd never be a time When I wouldn't let you shine And if you doubt my love I'll be there to show you If your skies go grey I'll be there to hold you tight I'd love to make you mine 3rd Verse Baby, I'll be the one You thought never existed The shinin' light in this twisted world That won't ever burn out 4th Verse I'll never leave you guessin' Look right here in my eyes I'll never try to deny it I'd love to make you mine (Repeat Chorus) Bridge I'd love to walk up and tell you Reach my hand out and take you Tag Chorus Not a day go by I wouldn't kiss you Not a minute apart I wouldn't miss you There'd never be a time When I wouldn't let you shine

And if you doubt my love I'll be there to show you If your sky goes grey I'll be there to hold you tight I'd love to make you mine I'd love to make you mine I'd love to make you mine
