

# 1000 Year Internal War

Crowbar

Reborn I drain from inside  
Cleanse me now sever the ties  
All gone dissolved from my life  
Uprise pray for your demise  
Your demise

Carry me home  
To where I want to be  
Please take me home

Before this internal war  
I had no use to abhor  
My hand will lead me from here  
Burning for one thousand years  
All these years

Carry me home  
To where I want to be  
Please take me home

Carry me home  
To where I want to be  
Please take me home

Internal war
