

Crush Negativity

Crowbar

My eyes are burning
Prisoner to this flame
My flesh tearing away
And there's no one to blame

Bleeding nothing but black
Crush negativity
My lost soul coming back
Crush negativity

Living to carry on
Anger to my pain
This self inflicted task
It only drives me to gain

Bleeding nothing but black
Crush negativity
My lost soul coming back
Crush negativity

You can't burn the sin (Burn the sin)
You can't burn the sin (Burn the sin)
You can't burn the sin (Burn the sin)
You can't burn the sin (Burn the sin)
