

## Lack of Tolerance

Crowbar

Take more than you give me  
I can  
taking it, after all these years  
Close my mind to suffering  
I will  
Open my mind to all that's right

Making me  
Making me hurt  
Making me hurt so bad I feel it

No tolerance  
No tolerance

Overcome this hatred  
I can  
Doing it after all these years  
I see myself growing  
I will  
Knowing the man that I can be
