

# Surviving The Abyss

Crowbar

Reach deep into my soul  
Does the pain ever go away?  
Does it really go away?  
It's a lesson we must learn  
And desire will still burn

Breathe  
Breathe  
Breathe

Wisdom that you have earned  
Are you able to make it stay?  
Evil that you see  
Will it let you breathe?

It's a lesson we must learn  
And desire will still burn

Breathe
