

# Symmetry in White

Crowbar

Unobscured  
Symmetry in white  
Offering mercy  
Absolution for the damned

As she said in a vision of Hell  
A conversion of life  
Bringing sanctuary  
Apparition of flames  
The embracing of dusk  
Incandescent embers

Amidst the pain  
And infernal despair  
Shadows of souls  
Transparency glows  
With remorseful darkness

As she said in a vision of Hell  
Bringing sanctuary  
Apparition of flames  
The embracing of dusk  
Incandescent embers

Spiritual holocaust  
A prescription for war  
With infinite lust  
The injection of filth  
Impervious dreams of symmetry in white

As she said in a vision of Hell  
Bringing sanctuary  
Apparition of flames  
The embracing of dusk  
Incandescent embers
