Anthem

Crowded House

There for my children, there for my woman
Deep in the garden, no longer forbidden
I'm humming to myself my own anthem
Somethin' joyous, cover the weakness in my soul

When she's in danger who'd be a witness?
I would risk everything for her happiness
Now I'm humming to myself my own anthem
Somethin' joyous, cover the weakness
A heavenly chorus

And I come to my senses
Just before I close the door
And I won't be kept apart
From the ones that I adore
And you fix it to your head
And it's there forever more

I don't wanna lose you
A prayer in the silence
Think of forgiveness

An end of the violence
And I come to my senses
Just before you close the door
You keep it in line, you keep it in line

You keep it in your mind
You keep it in your mind
You keep it in your mind
You keep it in your mind

I don't remember
I don't remember
