

## Mansion in the Slums

### Crowded House

I'd much rather have a caravan in the hills  
Than a mansion in the slums  
I'd much rather have a caravan in the hills  
Than a mansion in the slums  
When the taste of success only lasts you  
Half an hour or less, but it loves you when it comes  
And you laugh at yourself  
While you're bleeding to death

I'd much rather have a trampoline in my front room  
Than an isolation tank  
I wish I was a million miles away from the manager's door  
There is trouble at the bank  
You laugh at yourself  
As you go deep into debt  
Laugh at yourself  
While he's breathing down your neck

Who can stop me  
With money in my pocket?  
Sometimes I get it free  
The best of both worlds, the best of both worlds

I'd much rather have a caravan in the hills  
I'd much rather have a mansion in the hills  
Than a mansion in the slums  
Yeah, I'd much rather, what I mean is, would you mind if I had  
it all?  
I'll take it when it comes  
And you laugh at yourself  
While you're bleeding to death  
And somebody else is always  
Breathing down your neck  
Laugh at yourself  
While he's hanging over your head

While he's breathing down your neck  
It'll soon be over (best of both worlds)  
With a mansion, mansion  
(Best of both worlds) oh  
(Best of both worlds) it'll soon be over
