

Thirsty

Crowded House

She is not like anyone
Would be worth waiting for
When first laid eyes upon
Then words come easy
Fulsome, pleasing
Straight from the heart
No more backs turning
Won't surrender to
Voices taunting me

How come some people never get thirsty? (Ah)

Should we get up or down?
Be wild-eyed in the crowd
As the greyhounds leapt ahead
When love comes early
Handsome, burly
Looks you in the eye
I saw a sea burning
And the earth linger
In a timeless dream

How come some people never get thirsty? (Ah)

Don't dilly dally, don't delay
Don't dilly dally, just decide
Don't dilly dally, don't delay
Don't dilly dally, seize the night
Don't delay, don't dilly dally
MIA
Don't delay fun

We are more than what is spoken
Let the silence be unbroken
There are mountains of resistance
They are melting all that distance

It's 3 in the morning and we're hitting the sack
And nothing could last
But it's lovely to have you back
Blow out the candles and you fade to black
Blow out the candles and you fade to black
