Crown the Empire

I'm ready call home, all of my change I spent on you Where have the times gone, baby it's all wrong Where are the plans we made for two?

Yeah, I, I know it's hard to remember The people we used to be It's even harder to picture That you're not here next to me

You say it's too late to make it But is it too late to try And in our time that you wasted All of our bridges burned down

I've wasted my nights
You turned out the lights
Now I'm paralyzed
Still stuck in that time
When we called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone, baby it's all wrong
Where are the plans we made for two?

If Happy Ever After did exist
I would still be holding you like this
All those fairy tales are full of shit
One more fucking love song and I'll be sick

You turned your back on tomorrow 'Cause you forgot yesterday I gave you my love to borrow But you just gave it away You can't expect me to be fine I don't expect you to care I know I said it before All of our bridges burned down

I've wasted my nights
You turned out the lights
Now I'm paralyzed
Still stuck in that time
When we called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone, baby it's all wrong
Where are the plans we made for two?

If Happy Ever After did exist
I would still be holding you like this
All those fairy tales are full of shit
One more fucking love song and I'll be sick

Now baby don't hang up
So I can tell you what you need to know
Baby I'm begging you just please don't go
So I can tell you what you need to know
So I can tell you what you need to fucking know

I'm at a payphone trying to call home All of my change I spent on you Where have the times gone, baby it's all wrong Where are the plans we made for two?

If Happy Ever After did exist I would still be holding you like this All those fairy tales are full of shit One more fucking love song and I'll be sick

Now I'm at a payphone
