

Intro - Don't Let It

Crucial Conflict

Yeah man, this a little word of advice to y'all brothers, you know what I'm sayin'. Y'all just came up with this new style, and a lot of people gonna be recognizing this. So y'all gonna be comin' up real quick around here, around this country, and all I got to say is one thing, you know what I'm sayin'. Don't let it go to your head man, just try to stay true to the game. If you come from the hood, be from the hood and be about the hood. You know what I'm sayin'. That's just love comin' from, you know what I'm sayin' me, it's Shorty, you know what I'm sayin'. Nino got somethin' he want to tell y'all, you know what I'm sayin'. Go on and shoot that shit to 'em.

Little advice from Nino

Y'all some down brothers, y'all down with the Down Clique, you know what I'm sayin'

We all down, and we gonna all forever and hell, hey, may God's [?] praise

Don't let it go to your head

Let those mothafuckas know who we be, let a mothafucka know what we be about

Don't let it go to your head

We straight from the CHI, and we always gonna be from the CHI, 'til we die

Don't let it go to your head

Mothafuckas, don't let this shit go to your head man

'Cause plenty mothafuckas gonna be at you

Don't let it go to your head

Plenty niggas, plenty bitches, man just say the same, don't change

Don't let it go to your head

Word of advice that I got for you bro, is to stay true

Give back to the hood, man

You know man, keep love man, peace man that's from Scoop

Man, [?] man, you know you the greatest man

Y'all keep this up man, tear it out

Yeah, yeah, this is Fat Pat right here

You know what I'm sayin', everybody sayin' somethin' true from the heart

Don't let it go to your head

You know what I'm sayin', nobody mad yo

We just tellin' y'all doin' y'all function

Everybody speakin' the whole truth, like Scoop said, give back to the hood

You know what I'm sayin', then all's well

Man, you know for the rest of the brothers that ain't able, ain't able to be on this here man, we gonna stay real and stay down

And always remember where a mothafucka come from

That's right, and don't let it go to your head
