

## Sidewayz

## Crucifix

I done been through hell and I felt the pain  
I done seen the whole world go through a whole lot of change  
I seen a mama watch her baby die, just for gettin' high...  
Then twenty minutes later, go get high  
I seen killers get justified  
And all the while, scratchin' my head  
Wonderin' how is it right?  
I seen some real good people die in the crossfire  
Of some men afraid of losin' their pride  
It's pain in the burbs...  
And pain in the streets  
It's a war on the church...  
And war in the east  
So listen...  
Half of us thirst, while half of us feast  
Steady chasin' this Hollywood peace

I seen so many cry, I seen so many die over nothin' at all  
Giving their life up for something so small  
I seen so many tears over so many years we can never get back...  
This ain't life if we're livin' in a past that's Sidewayz

I lost my patna Reece  
And ever since that day life's been crazy man  
I really ain't had too much to say  
Sometimes I want revenge, but that's the Devil's way of actin' out  
So I just get down on my knees and pray  
I ask Him lead the way  
But if it gets no better, just know I tried...  
Consider this my last letter  
To my fans, to my friends, to my family  
When I leave this earth  
I hope ya'll all remember me  
RIP shawty Quint  
Rest in peace Preacha Man  
I'm gon' hold it down  
But swear to God I miss you man  
RIP Yoowah, we miss you Franco  
Freaky Tee, he took it hard...  
I feel his pain though

I seen so many cry, I seen so many die over nothin' at all  
Giving their life up for something so small  
I seen so many tears over so many years we can never get back...  
This ain't life if we're livin' in a past that's Sidewayz

There's got to be hope in my future  
Cause there's pain in my past  
But I always been a believer  
That the sufferin' can't last  
Cause the rain comes down...  
The flood gets high  
But sooner or later something is gon' have to shine  
If we stop walkin' Sidewayz  
This life gon' fade like the wind blows  
But homie I know where I'm about to go...  
Down that golden highway!

Leavin' behind this pain that I've seen!

I seen so many cry, I seen so many die over nothin' at all  
Giving their life up for something so small

I seen so many tears over so many years we can never get back...  
This ain't life if we're livin' in a past that's Sidewayz
