Necromansy (Bathory cover)

Cruel Force

Heil satanic majesty tonight we sacrifice We drink our own blood and blasphemy while the moon is our only light

We whisper our sorcery the acid takes us high We sing the songs of Mayhem Wingless angel in soundless flight

Our bodies completes the circle with blood we draw the signs of hell Chant the force of Pandemonium and recite the words of spell

Necromancy

I gather up the force of darkness to bring damnation lust and war Demand all heaven's virgins to bend before our horny lord

Tonight nothing is too sacred we desecrate and live in sin Inhaling the stench of rotten flesh and of burning winds

Descend from blackened skies on soundless magic wings To spread the words of Satan and live in eternal sin
