

Why Would I

Cruel Hand

Why would I need to sell my soul?
Devil in me and so much more
Why would I need to sell my soul?
Devil in me and so much more

Why would I need to sell my soul?
Devil in me and so much more
But I have many names or I go by one
Slander you and the ones you love
Ones you love

Why would I need to sell my soul?
Devil in me and so much more
Why would I need to sell my soul?
Devil in me and so much more

Clipped his wings for only sin
Without you he is nothing

He took me hand when no one would
He understood when no one could
He gives me praise when no one should

Devil in me
Why would I need
To sell my soul?
