

# DIRTY EYES EVIL MANNERS

Cruel Santino

Yeah, yeah  
How 'bout I shake it and go?  
Girl, I rock the boat it's obvious  
Girl, I'm on top of that low  
Shawty was poppin' and poppin' until she-  
She tired yeah (Breathe)  
Now I'm lookin' for her and you know I was tired yeah (Feel)  
Even if through the pain, girl I'll live through the tide for ya (Still)  
Lookin' inside yeah, shawty hit me with a side of her  
She said the beast is inside of ya  
She said my ways don't keep hurtin' her

Say my name  
Say my name

Dirty eyes, evil manner  
Shawty need that fix, ain't got that spanner  
Fuck your piss and hold your bladder  
Lil' ass bitch with a whine like Gaga

She said release me  
Keep holdin' me back, you're holdin' me back  
Okay, release me  
Keep holdin' me back, you're holdin' me back, yeah

I've been hurt before, I got the scars to prove it  
I just pour the pain into the music  
Go to war, in my head  
Got to win the battle, I can never lose it  
Been to hell and back for her, I'm psycho  
I'm a stand but I refuse to die though  
Too late to fix the madness  
Now I'm on the night boat to Cairo  
I'm with a hundred G's, blowin' trees in the summer breeze  
My niggas love the grease  
Two straps on 'em like some dungarees  
Be easy, he's holdin' a strap  
Oh look at my phone she's callin' me back, yeah

She said release me  
Keep holdin' me back, you're holdin' me back  
Okay, release me  
You're holdin' me back, you're holdin' me back, yeah

Say my name
