

HEATING ROCKS

Cruel Santino

It's Le Mav

Deep down I fear, yeah (Who's back?)
It feels so clear
Heatin' rock
Need it
Girl, I gotta know, tell me it was magic
Need it
Take a step right there, start rockin'

Sunshine, it's boomin'
I like that feelin'
Don't step on, move it
The secret, don't break that
That's the rule
I place my stake, bet on you
I take my win

Deep down I fear, yeah (Who's back?)
It feels so clear
Heatin' rock
Need it
Girl, I gotta know, tell me it was magic
Need it
Take a step right there, start rockin'

Take me far, take me there
I just want you here
I know you don't believe in magic
It was magic

It's heatin' these rockets
Oh yeah, it was magic, I bounce it (Ayy, ayy)
Oh yeah, it was magic, I bounce it (Ayy, ayy)
Oh yeah, it was magic (Ayy, ayy)
It's fine, I get it (Ayy, ayy)
You don't like seafood (Ayy, ayy)
I know he's watchin' (Ayy, ayy)
So I will meet you
Soon (Yeah)

Deep down I fear, yeah (Who's back?)
It feels so clear
Heatin' rock
Need it
Girl, I gotta know, tell me it was magic
Need it
Take a step right there, start rockin'
Deep down I fear, yeah (Who's back?)
It feels so clear
Heatin' rock
Need it
Girl, I gotta know, tell me it was magic
Need it
Take a step right there, start rockin'
