

I TOLD GUS I'M DREAMIN

Cruel Santino

Good evening, sea humans and sea creatures
You are now approaching Shell Petal
Requesting all sea humans and creatures to please get back to your seats
(Yo, Tochi keep mobbing)

It's play tag, I'ma get you, get you girl
City life I'm dreamin'
Let's play tag, I'ma get you, get you girl
Pretty girls lie so they keep playin'
Pretty girl, I hope I get you, get you (Yeah, yeah, yeah)
Pretty girl, I hope I get you (Yeah, yeah)
Pretty girl, I hope I get you, get you (Yeah, yeah, yeah)
Pretty girl, I hope I get you (Yeah, yeah)

I told Gus I'm dreamin'
If it came from my heart, then she could not believe it
She remind me of the beaches
Everything is so wet and so bright
I couldn't count the things I did to get you girl
I even lied to my demons (Demons)
Talkin' dirty, you're a nasty, nasty girl
Sorry you're not my friend

It's play tag, I'ma get you, get you girl
City life I'm dreamin'
It's play tag, I'ma get you, get you girl
Pretty girls lie so they keep playin'
Pretty girl, I hope I get you, get you (Yeah, yeah, yeah)
Pretty girl, I hope I get you (Yeah, yeah)
Pretty girl, I hope I get you, get you (Yeah, yeah, yeah)
Pretty girl, I hope I get you (Yeah, yeah)
Gus, tell em baby
This is for the guys that never wanted me to survive
RPG's we shoot 'em and we send 'em straight to God

Okay too dangerous, all the girls look at us
Oh my God, is she sus? But the rhyme hit
When it comes to the fun, I like it
You can tell it was a test, to see you

We are experiencing high levels of water waves
Please fasten your seat belts, the door is opening remain calm. Thank you
