Feeling ya wanna to get sparky
Bon Chiga with the darkie
My goons got back to get sparky
Bon Chiga with the RP
Don't sip that cup of that parsley
Bon Chiga with the RP
My goons got back to get sparky

I roll trees in the garden
She want beef. I'm starving
I don't tease like Marv
I don't breathe. I'm a liar

I'm a liar. I'm a liar
I'm a liar, I'm a liar
Uhu I'm a liar
I'm a liar. I'm a liar
Uhu I'm a liar
I'm a liar, I'm a liar
