Cruel Santino

Please don't go oh, go  
Please don't go oh, go

Please don't lose your life little girl  
Cause your searchin' for the things  
That could bite you back and then it bites real bad (Yo, Tochi keep mobbing)  
(Ayy, why) Brrr, ta-ta-ta-ta, see my feet starts hurtin'  
(Why, ayy, ayy) Brrr, ta-ta-ta-ta, see the beast as they lurkin'  
(Why, ayy) My man ah tell me that's the way of the serpent  
(Why, ayy) And close your eyes and you can see that she's hurtin'  
Brrr, ta-ta-ta-ta see my feet starts hurtin' (Pretty bad)  
Brrr, ta-ta-ta-ta, see the beast as they lurkin' (Bad, bad)  
My man ah tell me that's the way of the serpent (Pretty, bad)  
And close your eyes and look from a distance she's hurtin'

Lowkey like the beast she's hurtin' (No way)  
Look down from my ship, these earthlings  
Deserves me, I think not  
In the morning  
Beast stays in the right time  
Looking for his prey

Why have you decided to lie my bestie  
Said that she was pickin' a side  
And she left me  
Don't stop bring it back  
Go get your bitch bring it back  
Don't stop bring it back  
And tell your bitch, we can bring it back  
Okay, bring it back  
Tell your bitch, bring it back  
Wanna hit this? Bring it here  
Waste no time, bring it back  
Oh God, fuck it, bring it back  
Don't waste no time, you can bring it back  
Once you're done, you can waste no time  
Now tell your bitch to bring it back
