

Hey  
Can you see  
Black and Red  
Over me

Can you believe  
This whole thing  
What a dream

Black and red  
Black and red  
Black and red...

My Disease  
My Disease  
My Disease...

Runs down my cheek  
What I breathe what I eat  
Strawberry seeds  
Like the shoes on my feet  
Like the shoes on my feet  
Like the shoes on my feet

My Disease...  
Black and Red...
