

Endless Possibilities

Crush 40

[Verse 1]

This is my escape
I'm running through this world
And I'm not looking back
(Im not looking back)

'Cause I know I can go
Where no one's ever gone
And I'm not looking back
(And im not looking back)

But how will I know when I get there?
And how will I know when to leave?
We've all gotta start from somewhere
And it's right there for me
The possibilities are never ending!

[Chorus]

I see it, I see it
And now it's all within my reach
Endless possibility...
I see it, I see it now
It's always been inside of me
And now I feel so free
Endless possibility!

[Verse 2]

And so we'll carry on
My time to shine has come
I feel it

As fast as I can go
Straight to the top I know
You'll see it!
(You'll see it!)

So please wake me up when I get there
It feels like I'm lost in a dream
I know in my heart that it's my time
And I already see
The possibilities are never ending!

[Chorus]

I see it, I see it
And now it's all within my reach
Endless possibility...
I see it, I see it now
It's always been inside of me
And now I feel so free
Endless possibility!

[Bridge]

Drop that smile, 'cause you're beaten again!
No, this is where my journey begins!
You're losing speed, you're losing your flow
But inside me is a power you'll never know!
And let it out, it's inside you!

Better all step back, 'cause I'm coming through!

[Instrumental]

[Chorus]

I see it, I see it
And now it's all within my reach...
I see it, I see it now
It's always been inside of me...

I see it, I see it
And now it's all within my reach
Endless possibility...
I see it, I see it now
It's always been inside of me
And now I feel so free
Endless possibility!

(Endless possibility...)
Endless possibility!
(Endless possibility...)
Endless possibility!
