If you wanna make it, you've gotta give'em all Lay it all on the line You wonder why good things never come easy Don't stop for anything

Don't give up, keep the fire, keep the faith You life is in your hands Don't you think that it's time you take a chance 'Cause you're gonna have to face it

Start you up, down the road you go Hang on to your dreams, yeah Crusin' down to the paradise Turn the car into the wind, yeah

You've got to fight to keep sight of your dreams Keep your hands on the wheel

Don't give in, you have the strength to get over You better stand up There's a light still shining on you Fair wind is blowin' to your way

Start you up, down the road you go Hang on to your dreams, yeah Crusin' down to the paradise Turn the car into the wind, yeah Into the wind

You're much too serious
Let's steal away, blow your mind
That's an easy thing to say
You must take a step

Start you up, down the road you go Hang on to your dreams, yeah Crusin' down to the paradise Turn the car into the wind, yeah Crusin' down to the paradise Turn the car into the wind, yeah
