

## Gatekeeper

## Cryonic Temple

Here I stand as a wall of stone  
I'm the one who protects you  
Metal armed leather clone  
I am here to shock you  
Keep away if your aim's not pure  
There's no way you can fool me  
Feel no mercy you better be sure  
You must fight to get through me

My heart is steel  
All I want to do is standing at the Gate  
Guard it with my life, I'll do it 'til I die  
You will never know who I really am  
The Guardian of light or Guardian of the dark

Here I stand, I don't care why  
I just do what they tell me  
Have no fear I'm ready to die  
You will see what I'm saying
