

Nature Girl

Cryoshell

There was a girl
A very strange, enchanted girl
They say she wandered very far
Very far, over land and sea
A little shy and sad of eyes
But very wise was she

And then, one day
One magic day, she passed my way
And while we spoke of many things
Fools and kings
This, she said to me:

"The greatest thing you'll ever learn
Is just to love and be loved in return"

"The greatest thing you'll ever learn
Is just to love and be loved in return"
