Kali

Crypta

Blood stains, skulls and serpents
Fierce, fearless and untamed
She who is death, duality and destruction
Implacable demise of self dysfunctions

Kali
Kali

Shatter all wickedness in me
Make my ego tremble in fear
Shatter illusion and lies
Make my soul genuinely free

Kali

Destroyer of ego
Purify, purify
Liberator of the soul
Purify, purify

Kali
Kali

Shatter my limiting beliefs
Make me face my deepest fears
Shatter the veil of unreality
Make my soul genuinely free

Kali

Destroyer of ego
Purify, purify
Liberator of the soul
Purify, purify

Kali

Shatter all wickedness in me
Make my ego tremble in fear
Shatter illusion and lies
Make my soul genuinely free
