

## Possessed

Crypta

Hallucinations on my mind, fire in my eyes  
Unwanted influence, subjugation strikes  
Slowly losing my sense of control  
As the obsessor's will takes over my soul

Distorted speech  
Blasphemous rage  
I curse at their holy symbols  
I laugh as they pray

Dazed, petrified, possessed  
Dazed, surrendered, possessed

Atypical strength, I resort to violence  
They hold me to the ground as I abnormally behave  
Lost spirits within me control what I say  
Sadness, despair, no hope where I am

Distorted speech  
Blasphemous rage  
I curse at their holy symbols  
I laugh as they pray

Dazed, petrified, possessed  
Dazed, surrendered, possessed
