Voice of Unreason

ossuary for the misinformed you'd end up being amazed of what you'd see inside the whisps of knowledge denied and to think that someone's impired it's a better place to reside

take that voice of unreason asked that question about the chaos that lies dormant within

have pondered through a pond of useless information fooled tricked but I'm slowly coming around

fell for it once never again ignorance is bliss for the miner of fool's qold can't teach a dog that's too old the motherfucker'll take a bite of the poison indoctrinate unfiltered lore teaching teaching absolutely nothing

intravenously force fed
a slave state of intelligence
meant to break these bonds of some point
howsabout now

the bottom line I've saved you the time wasted on a lost cause no longer

Cryptopsy
