

Draw The Line

Crystal Ball

Ohh Ohh Ohh Ohh Ohh

Day by day
Whatever feed they choose
Tryin' to fool you
They're free to spread fake news

All their lies
Whoever they accuse
Spraying poison
So blind they share sick views

Future to past
They'll learn at last
The dice are cast

Draw the line
Stop wasting all my time no more
Don't turn on a dime
Draw the line
Don't taste the bitter wine no more
Given up on wasted time
Wasted time

Ohh Ohh Ohh Ohh Ohh

Head to head
A clash of different views
Enough talking
Too wise to blow my fuse

All their scam
There is no cheap excuse
Prosecution
Will catch them on the loose

Future to past
They'll learn at last
The dice are cast

Draw the line
Stop wasting all my time no more
Don't turn on a dime
Draw the line
Don't taste the bitter wine no more
Given up on wasted time
Wasted time
