

## My Life

Crystal Ball

My mama said can't carry out your dreams  
She never liked the things I had in my head

Too hard to take this away  
The price of yesterday  
And I'm not willing to pay

I felt the magic, I had the balls to say  
Yes I'll get it, I'll do it my own way

This is my life - now and forever  
I won't give up anymore  
This is my life - now and forever  
I swear I will - carry on

I took the hard way  
No shelter from the storm  
The days were empty and grey

I see - I hear, the laughter of them all  
Do I play the game of rise and fall

I felt the magic, I had the balls to say  
Yes I'll get it, I'll do it my own way

This is my life - now and forever  
I won't give up anymore  
This is my life - now and forever  
I swear I will - carry on
