

## Power Pack

## Crystal Ball

I'm heavy duty  
I'm a power pack  
An everlasting fuse  
Ready to attack

I'm full of energy  
Like a battery  
Put the pedal to the metal  
Full speed ahead the only way to be

Like a loaded gun I'm ready  
Pull the trigger set me free

Power Pack - on a high speed track  
Power Pack - like a cannonball  
Power Pack - gonna give it all  
Power Pack - Power Pack

I'm a global player  
And I've been energized  
I'm a power cell  
And I'm oversized

Supersonic madman  
Fast and furious  
I'm an accelerator  
Now tell me baby are you curious

Like a loaded gun I'm ready  
Pull the trigger set me free

Power Pack - on a high speed track  
Power Pack - like a cannonball  
Power Pack - gonna give it all  
Power Pack - Power Pack
