

Sensational

Crystal Ball

We raised our sails
With wind in our hair
Leaving all our worries behind
It's a state of mind
Addicted to the rush
No longer a slave to the grind

We crossed the point of no return
The stakes are high, enjoy the ride

Sensational - we're riding the storm
Sensational - the ultimate thrill - to go

The passion's building up
It's coming our way
Adventure is what we will find
Now we're on the move
Screaming to the sky
Chaos and madness combined

We crossed the point of no return
The stakes are high, enjoy the ride

Sensational - we're riding the storm
Sensational - the harder we fall
Sensational - we're riding the storm
Sensational - the ultimate thrill - to go
Sensational - we're riding the storm
Sensational - we don't stand alone
Sensational - we're riding the storm
Sensational - the ultimate thrill - to go
