

# Tear Down The Wall

Crystal Ball

[Music: Sweeney / Leach / Graber, Lyrics: Sweeney]

Hey you, are you the one to make our wish come true  
Stand up and shout it out, the one thing we can do  
Rise up - reality show us all what we wanna see  
Hear the thunder roaring near, the power of insanity

Don't deny the eye of the hurricane  
The crazy ways - blown away  
It's time for freedom days

Tear down the wall - let us see it fall  
Tear down the wall - 'cause we want it all

1989 - We're running out of time  
Spokesman Mr. Schabowski, better throw away the keys  
Glory - now it's done, a hope for everyone  
Rise up - reality show us all what we wanna see
