I'm not scared of anything, try everything
From the deeps of Marianas to the top of Everest
Help me we're all lucky enough to make it and
Feel close to everything, hold on to momentum

Wherever you going, oh I'll be into it
We got a good thing going, I can't see an end to it
If you believe it, we can get into it
Hold on to everything, don't fear anything

I truly believe these feelings
They're dancing 'round and 'round my soul
Yeah I believe it's happening

I'm not scared of anything, thinking about everything
Thinking's a remedy, saving your energy
Not scared of anything, looking for everything
Feeling is everything, feeling is everywhere

I'm not scared of anything, thinking about everything
Realizing everything, imagining everyday
Thinking about everything, feeling is everything
Feeling is everything, feeling is everywhere

I'm not seeing anything, but that means everything
Could be looking right at it and not see anything
Keep floating in the shadows here, I'll get deep into everything
Hold on to forever, don't fear anything

I truly believe these feelings
They're dancing 'round and 'round my soul
Yeah I believe it's happening

I'm not scared of anything, thinking about everything
Thinking's a remedy, saving your energy
Not scared of anything, looking for everything
Feeling is everything, feeling is everywhere

I'm not scared of anything, thinking about everything
Realizing everything, imagining everyday
Thinking about everything, feeling is everything
Feeling is everything, feeling is everywhere

Could have lied, could have stayed without everything
But every time, bring me joy, bring me life, bring me everything, oh everyth
ing
Could have lied, could have stayed without everything
But every time, bring me joy, bring me life, bring me everything, oh everyth
ing

I'm not scared of anything, thinking about everything
Thinking's a remedy, saving your energy
Not scared of anything, looking for everything
Feeling is everything, feeling is everywhere

I'm not scared of anything, thinking about everything
Realizing everything, imagining everyday

Thinking about everything, feeling is everything
Feeling is everything, feeling is everywhere
