

Dancing the Night Away

Crystal Gayle

Standin' beside of the ocean
Lookin' out across the water
Everythin' is beautiful
But I still don't feel like I oughta

Things we wanted, not so long ago
I got 'em all now,
But I ain't got you no more

But I remember
How you held me all the sweet things you used to say
When we were two young lovers
Dancin' the night away

I remember everythin'
Dresses I used to wear
I was so light and graceful
I seem to float right through the air

You looked so funny dancin'
But I loved you anyhow
I guess I could find somebody
To love me like that now

But I remember
How you held me and all the sweet things you used to say
When we were two young lovers
Dancin' the night away

Standin' beside of the ocean
Lookin' out across the water
Everythin' is beautiful
But I still don't feel like I oughta

Things we wanted, not so long ago
I got 'em all now,
But I ain't got you no more

But I remember
How you held me all the sweet things you used to say
When we were two young lovers
Dancin' the night away

Let me see you dance
Let me see you dance
Oh, babe, let me see you dance

Let me see you dance
Let me see you dance
Oh, babe, I can see you dance

Let me see you dance
Let me see you dance
Oh, babe, let me see you dance
