

# Hands

Crystal Gayle

Hands, we've got hands  
Hands for bakin', hands for buildin'  
Hands for love and holdin' children  
Hands, la da da

Hands, we've got hands  
Hands to wave and hands to pray  
Hands to wipe the tears away  
Hands, la da da, la da da

So take my hand and I will lead you  
To see the mirrors of your soul  
Just touch my hand and I can teach you  
The most important thing of all, of all

Hands, we've got hands  
Hands to hold other hands  
And walk much better through this land  
Hands, la da da, la da da

So take my hand and I will lead you  
To see the mirrors of your soul  
Just touch my hand and I can teach you  
The most important thing of all, of all

Hands, we've got hands  
Hands to hold other hands  
And walk much better through this land  
Hands, la da da, la da da

Hands, we've got hands, la da da, la da  
Hands for bakin', hands for buildin'  
Hands for love and holdin' children  
Hands, la da da

Hands, we've got hands  
Hands to wave and hands to pray  
Hands to wipe the tears away  
Hands, la da da, la da da

Hands, we've got hands...
