

# I'll Get Over You

Crystal Gayle

One thing 'bout this heart of mine  
All my hurts gonna mend in time  
It don't leave no scars behind  
I'll get over you

I'll find me a guy one day  
Who's not scared to give his heart away  
When I do, it's safe to say  
That I'll get over you

I'll get over you  
I'll get through, and when I do  
I'll be good as new  
When I get over you

From now on, I think I'll lay low  
I'll talk fast but I'll move slow  
You taught me all I need to know  
'Bout gettin' over you

Sometimes think I love you still  
Wonder if I always will  
But I know it's just until  
I get over you

I'll get over you  
I'll get through, and when I do  
I'll be good as new  
When I get over you

Sometimes think I love you still  
Wonder if I always will  
Love for you's so hard to kill  
But I'll get over you

I'll get over you  
I'll get through, and when I do  
I'll be good as new  
When I get over you
