

Once in a Very Blue Moon

Crystal Gayle

I found your letter in my mailbox today
You were just checking if I was okay
And if I miss you, boy you know what they say

Just once in a very blue moon
Just once in a very blue moon
Just once in a very blue moon
And I feel one coming on soon

No need to tell me you'd like to be friends
And help me get back on my feet again
And if I miss you, well it's just now and then

Just once in a very blue moon
Just once in a very blue moon
Just once in a very blue moon
And I feel one coming on soon

There's a blue moon shining
When I'm reminded of all we've been through
Such a blue moon shining
Does it ever shine down on you

You act as if it never hurt you at all
Like I'm the only one who's getting up from a fall
Don't you remember, can't you recall

Just once in a very blue moon
Just once in a very blue moon
Just once in a very blue moon
And I feel one coming on soon
Just once in a very blue moon
And I feel one coming, feel one coming
I feel one coming on soon
