

# Our Love Is On The Faultline

Crystal Gayle

Well, I hear it comin'  
I can feel it in my bones  
And it's weighin' heavy on me  
Like a sack full of stones

And I see it in your eyes, baby  
Each time we meet  
And I sense somethin' movin'  
Underneath our feet

Baby, our love is on the fault line  
And you're sayin' that the fault's mine  
I can't believe that you're so blind  
Can't believe, can't believe

you've been stirrin' up an earthquake  
You've been cookin' up a heartbreak  
And I hope it ain't too late  
For our love, for our love

Now there's a chilly wind a blowin'  
And it's whippin' up a gale  
Storm clouds are brewin'  
And I know it's gonna hail

And I see it in your eyes, baby  
Each time we meet  
And sense somethin' movin'  
Underneath our feet

Baby, our love is on the fault line  
And you're sayin' that the fault's mine  
I can't believe that you're so blind  
Can't believe, can't believe

you've been stirrin' up an earthquake  
You've been cookin' up a heartbreak  
And I hope it ain't too late  
For our love, for our love

I feel it in my bones, I see it in your eyes  
Comin' up behind, here it comes  
Hold on tight

you've been stirrin' up an earthquake  
You've been cookin' up a heartbreak  
And I hope it ain't too late  
For our love, for our love

Our love is on the fault line  
And you're sayin' that the fault's mine  
I can't believe that you're so blind  
Can't believe, can't believe

you've been stirrin' up an earthquake  
You've been cookin' up a heartbreak  
And I hope it ain't too late

For our love, for our love

Our love is on the fault line  
And you're sayin' that the fault's mine  
I can't believe that you're so blind  
Can't believe, can't believe

Our love is on the fault line  
And you're sayin' that the fault's mine  
I can't believe that you're so blind  
Can't believe, can't believe
