## Crystal Lake

Install thy kingdom of glory  
We are the servants of holy  
Coded prayers: Emptied souls  
"Blessed" by the plastic signs  
Template hearts (for) salvation  
The circle we trust

Behold the virgin spawning the filth of the human race  
From her womb prolonged by machines

Obey and praise  
Reprogram your faith  
Connect yourself and be absorbed by the hive

Implant the lord your god  
Enhanced the human race  
Sequenced for your perfection  
Our perfection

Implant the lord your god  
Enhanced the human race  
Sequenced for more perfection  
Give into system

Install thy kingdom of glory  
We are the servants of holy

Implant the lord your god  
Enhanced the human race  
Sequenced for your perfection  
Our perfection

Implant the lord your god  
Enhanced the human race  
Sequenced for more perfection  
Give into system

The perversion of cognition  
Subterfuge, mother to delusion - Ruin  
Rebirth  
It's time to shed the flesh  
Enslave your mind to be reborn for eternity

Install thy kingdom of glory  
We are the servants of holy  
In the circle we trust

Verily the cry of this earth is great  
And verily the filth is exceedingly grievous  
I have come down to see what they have done altogether  
According to the cry of it which is come unto me  
And now I know  
Now I know  
I'm watching the silence

We were damned from the start  
Coded by prayers of emptied souls

Controlled by plastic signs and templated hearts  
No salvation for humanity, the wicked and filthy  
And still we will proclaim  
In the circle we trust
