

# Just Confusing

Crystal Lake

Is it mentally abusing or abusing your mentality?  
I'm just stuck between the finer things of life  
Of trying to find what to eat  
So what if there was glory  
And there's bitches when I'm horny?  
Only if I'm smiling, 'cause I'm wilding out  
And I'm stunting casually like fashion week on Ginza streets  
Is it acting if you don't believe in what you are stunting?  
It's confusing  
Did you want me or not want me?

If I want you then you don't want me  
Then you want me when I don't want you  
Not amusing, just confusing for my choosing  
But I want to

Before a time it wasn't much too long ago  
Before a time when I was not aware of you  
Before a time it wasn't much too long ago  
Before a time when I was not aware of you

I've come too far to let myself go
