

Mephisto

Crystal Lake

You've got nothing left
You're as good as dead
Pay the price to be welcomed to hell
There is nothing left
You're as good as dead
Now it's time to pay the price
This is a death sentence

Blasphemy is my name
The catastrophe is seeking for its prey
Misery is my company
don't you don't you don't you play the victim
It's you who chose this way

"He that loves pleasure must for pleasure fall"

Your soul is mine

Love and hate
(You got everything you wanted)
Price to pay
(Your fate is already sealed)
Be prepared
(The gates of hell lie waiting)
In despair
(I want to hear you scream)

Nothing left
You're as good as dead
Pay the price
To be welcomed to hell
There is nothing left
You're as good as dead
Now it's time to pay the price
This is a death sentence

Be prepared
In despair

Nothing left
You're as good as dead
Pay the price
To be welcomed to hell
There is nothing left
You're as good as dead
Now it's time to pay the price
This is a death sentence

It's too late to repent
You got what you deserve
When the clock strikes
You'll be torn apart, damned in hell

I've waited for this moment
For four and twenty years
He won't come to save you
No one will hear you scream

You...
You are mine!

Yeah!
