

# Beautiful Saviour

Crystal Lewis

Beautiful saviour  
Beautiful king  
In my broken heart  
You did a beautiful thing  
Who am i that you'd be mindful of me?  
Beautiful saviour  
Beautiful king

I'm humbled  
By your gracious gift  
I've stumbled too many times to be worthy of it  
Yet you pursue me  
And lavish me  
With mercy, forgiveness and grace
