Frustrated

Crystal Lewis

Frustrated, aggravated Each time I fall Frustrated, simply stated Wait on His call

The walls are closing in around me I know you feel the same way too He's never left me since He found me The only light that's shining through If I can hang on...a little longer He's making our bond...a little stronger

Frustrated, aggravated Each time I fall Frustrated, simply stated Wait on His call

Your life is like a roller-coaster Climbing to the very top I thing there's something you should know sir-You're headed for deepest drop If I can hang on...a little longer He's making our bond...a little stronger

Frustrated, aggravated Each time I fall Frustrated, simply stated Wait on His call
