

Trust Me

Crystal Lewis

Close your eyes
Take a step
It's okay I know where we're going
Don't fret
I've been before
Through these valleys
Down these long and dangerous roads
Yet dark as they seem

Trust me
though you can't see
You can trust me
the way may be steep
You can trust me
Let me lead
Trust me

Open your eyes
but don't let go of my hand
Let your tears give way to smile
See the joy inside your trial
Don't worry
You're safe with me around
Rest assured I'm on your side
I won't let you hit the ground
Close as it seems

Trust me
though you can't see
You can trust me
the way may be steep
You can trust me
Let me lead
Trust me

See I know that what's in front of you isn't always clear
But you must believe it in your heart that I'm here
I am here Oh

Trust me
though you can't see
You can trust me
the way may be steep
You can trust me
Let me lead
Trust me
