

All I Could Do Was Cry

Crystal Shawanda

I heard church bells ring
I heard a choir singing
I saw my love walk down the aisle
On her finger, he placed a ring
Oh-oh-oh

And I saw them holding hands
She was standing
There with my man
I heard them promise
Till death do us part
Each word
Was a pain
In my heart

And all, all I could do was cry
(Cry, cry, cry)
All I could do was cry
(Cry, cry, cry)
I was losing the man that I love
And all I could do was cry

And now the wedding is over
Rice, rice has been thrown over their heads
For them, life has just begun
But mine (but mine)
Is ending

And all, all I could do was cry
(Cry, cry, cry)
All, all I could do was cry
(Cry, cry, cry)
Yeah, I was losing the man that I love
And all, all I could do was cry
All, all I could do was cry
All, all I could do was cry
Cry-y-y
I was losing the man that I love
And all, all I could do was cry
And all, all I could do
All I could do was cry
Whoa, all I could do was cry, cry, cry
I was losing the man that I love
And all, all I could do was cry
Oh, all I could do
All I could do was cry
Oh-whoa, all I could do was cry, cry, cry, cry
I was losing the man that I love
And all, all I could do was cry
