

Cry Out For More

Crystal Shawanda

One, two, three

Just when I think
You gonna love me right
That's when it all starts sinkin'
And you go and start a fight
Now I got a good grip around it
And I got my foot down the last time
And that's when I think I can shake you
And make you get up out of my mind

That's when you hold me tight
And won't let go (won't let go)
Oh you just hold me the right way
Why don't you just leave me alone? (Leave me alone)
But you hold me until I cry
And I don't know why
I cry out for more (hey)

Now don't you be mistaken
As to why I'm still here
You didn't fool me with fakin' (ha)
The sweetness for all these years
I tried to get away but I can't
Seem to stand by my surrender
'Cause I start missin' your kissin'
I got to get myself together

That's when you hold me tight
And won't let go (won't let go)
Oh you just hold me the right way
Why don't you just leave me alone? (Leave me alone)
But you hold me until I cry
And I don't know why
I cry out for more
(Cry for more)
Hey! (Cry for more)

That's when you hold me tight
And won't let go (let go)
Oh you just hold me the right way
Why don't you just leave me alone? (Leave me alone)
But you hold me until I cry
And I don't know why
I cry out for more
(Cry for more)
I cry out for more
I cry out for more
More, more, more
I cry out for more
More, more, more, more
I cry out for more
Hey! Hey! Hey!
Hey!

I cry out for more
Cry out for more

Cry out for more-more-more-more
