

Fall From Grace

Crystal Shawanda

Did you think I'd fall?
If you wanted to love like that
Is this supposed to mean that
You think I'm an easy catch?
You just thought I'd come running
And leave him for you
It's exactly why I'm [?]
You'll never ever do

'Cause I'm so out of your league
It's so funny to see, yeah
You think that you can change my mind
Well that's the difference between you and me
'Cause I got lovin' at home
And I know not to throw it away
For a man, I mean a boy
Who just keeps running away-ay-ay

You could keep on fallin' flat on your face
But, see, I won't fall from grace
'Cause see he is is my favorite place

You're so pathetic
A little puppy-dog just runnin' round
Beggin', pleadin': "Love me and
Please don't ever let me down"
You may be scared of somethin' real
'Cause you've been broken before
But I assume you can't even pick yourself up off the floor

'Cause I'm so out of your league
It's so funny to see, yeah
You think that you can change my mind
Well that's the difference between you and me
'Cause I got lovin' at home
And I know not to throw it away
For a man, I mean a boy (a boy)
Who just keeps running away-ay-ay

You could keep on fallin' flat on your face
But, see, I won't fall from grace
'Cause see he is is my favorite place

You could keep on fallin' flat on your face
But, see, I won't fall from grace
Yeah, he is is my favorite place

Oh, oh, oh yeah
Oh yeah! Oh yeah!
Oh yeah!
Just keep runnin' in place
I'm not fallin' from grace
Just keep fallin', just keep fallin'
Just keep fallin' on your face
