

# Rumpshaker

Crystal Shawanda

Hey Boss man, ain't it quitting time?  
Sweet little mama she just loves to ride  
Chicken wing in a frying pan  
I get lost and lord I'm found again

Y'all ain't nothing but some mean love takers  
All I need is a cool rumpshaker  
A cool rumpshaker

Floor boards loose, roof got rust  
We'll bust this coop, until this coops gonna bust  
Train whistle blow, and a black cat moan  
Just keep your troubles cause lord I got my own

Y'all ain't nothing but some mean love takers  
All I need is a cool rumpshaker  
A cool rumpshaker

Tail feathers fly in a fevered sweat  
You got yours but I ain't got mines yet

Y'all ain't nothing but some mean love takers  
All I need is a cool rumpshaker  
A cool rumpshaker

I said floor boards loose  
Roof got rust  
Black coat moan

I said all I need  
All I need  
Is a cool rumpshaker  
A cool rumpshaker  
A cool rumpshaker  
A cool rumpshaker  
A cool rumpshaker
